CONNIE

How did a nice girl like Connie in a nice middle-class Surrey marriage end up in our pages, spreading her legs, licking up her creamy cunt contents and generally making an exhibition of herself? We call it porn providence. "Call it what you like," teases the 24-year-old Woking wang-hardener. "I just wanted to put the spark back in my sex life. I think it's working!"

Master and commander

Hubby's told me to write to you and say what a bad girl I've been. At home, I have to walk round naked, in lingerie or in fetish gear – always in high heeled boots.

This time he had me in stockings and a suspender belt and stuck a butt-plug up my arsehole. Thing is, it got me all horny. I'm not supposed to touch myself without permission, but I got my vibrator and sat on the rug in front of him, teasing my clit in the hope he'd get so hard he had to fuck me.

But he was watching sport and I was interrupting. So he got my wrist cuffs and tied me to a chair, making me watch too. I kept wriggling, trying to get some pleasure off the plug stuck up my arse.

RS

I got off lightly that time, though. Once he had a couple of mates around for a lads' night in. He said he'd told them I was going to be their sex object for the night, walking round in lingerie and servicing their needs. I was ready to go, but he had me waiting out in the kitchen

Then hubby got his cock out and started wanking, spurting his jizz all over it and using his helmet to rub it in, before

but I just ended up frustrated.

When his game was over he got his cock out, blamed my "fucking around" for getting him hard, slapped it up against my tits then wanked it in my face. I had to open my mouth wide to take his spunk, only for him to spray it everywhere else as well.

I sat there, cum dripping down all over me, begging him for forgiveness for almost an hour, until he was hard again. Then he uncuffed me,

all night.

A couple of hours and I was frothing at the slit – he knew I had a thing for one of the boys, and the other one was OK too. Then he came through and told me I could just go upstairs and wait for him.

I was pissed off and I'd been drinking wine. Just enough to make me feisty and I threw my glass on the floor. He said either I could go upstairs now and sleep in the spare room, or he'd punish me in front of the boys.

Guess what I chose? He marched me out into the

room – the lads were already a bit lagered and they'd been watching a porno channel. He got me on his lap and pulled my knickers down. Then he hand-spanked me until my arse was glowing like sun-burn.

He had me bend over the chair to show the boys, and they inspected it, putting their hands on it to feel the heat.

inviting the lads to make their own contribution. I felt like such a slut bent over, arse in the air, with three lots of hot jizz sizzling over my well-tanned arse!

Afterwards, hubby led me up the stairs and I said if his prick was half as hard later

It's just a game we both get off on, but I love the kinky punishments he doles out!

Dear Julia

Casey from vol 31 no 11 has legs to die for, right? So let's see 'em in black stockings and suspenders, thong and thigh-high boots equally ready for an in-and-out, in-and-out rear insertion or over-the-knees spanking. Either way, ballistic!
Tony, Lancs.

Julia says: Apparently the recording studio we shot her in was so full of fleas she got her arse bitten off. Lucky fleas, eh?

Dear Julia

My dear wife Tracy gave me a blow job while I ogled the gorgeous horny Christina.

DEAR JULIA

Frank and beans

Kim made me cum in her fishnets and Harley got me horny in the hay. But best of all in vol 31 no 11 was Frankie – she has everything – nice figure, lovely boobs, a perfect bum and horny little pussy lips ready for a good licking. I bet the photographer had a good wank after that photo session.
Chris, Kent.

Julia says: You don't know the photographer. He has a wank before, during and after the photo shoots, dirty get!

Jessica's rabbit

Dear Julia

You've done it again, putting a smile on my face showing the best of the best. I stayed up for a week looking at Jenny and Jessica in vol 31 no 9. I'd love to see both of them together, Jessica as a naughty nurse and Jenny as a patient laid up on a hospital bed up in stirrups so we can all get a fantastic view of Jenny's pussy while she sucks on Jessica's nipples. What do you think about that idea, Julia?
Nicholas, Worcs.

Julia says: Sounds like you need a bit of a lie down yourself!

When sex bomb Susanna from Croydon told us she was feeling blue, our faces fell. Nothing puts a dent in your Y-fronts more than a moody model moping around the place crying into the Kleenex instead of mopping up ribbons of spunk with it. REAL WIFE SEX

Janine,
Shropshire

An email mix-up in the office leads to some spam in Janine's inbox, writes Max

Working freelance over the summer, I tend to get a lot of jobs here and there doing holiday cover. Recently I was standing in for a bloke – I'll call him Glen – and part of the job involved fielding enquiries that had come through to his work email.

When something arrived from the HR department, I just assumed it was a work matter. Instead it was a description of what Janine, one of the HR girls, intended to do to his cock with her mouth. I laughed – it's hilarious getting something like that out of the blue – but if she was half as dirty in real life as she was in her emails, I wanted to meet her! The bit when she went on about licking his pre-cum all over his bell-end was what got me.

I probably should have binned the email and left it at that – just pretended I hadn't seen it. But I couldn't resist emailing Janine to let her know Glen was on holiday.

Five minutes later, this pretty girl with long blonde hair walked in, trying to stay calm but obviously panicking. She led me out to the corridor and just started begging me not to report her. I said I'd keep my gob shut and asked her if she'd joined me for a drink after work.

I wouldn't have rattled on her if she'd said no, and I don't think I was twisting her arm to come down the pub. A couple of white wines and I'd learned more

She stroked my juddering length

– how Glen, the twat, was this married bloke she'd been mucking around with and how he'd just fucked off on holiday without telling her. Also, while she'd panicked over getting in trouble at work and maybe even losing her job, being thought of as a slut didn't bother her. She kept on looking

me in the eye, and then I felt her playing footsie with me under the table, stroking a high stiletto heel gently up my leg.

As I saw it now, any time spent drinking was shagging time wasted, so we cabbed it back to mine. I said we should start off with a blowjob, as in the original email, and Janine reckoned that was a fair call! I'm pretty well endowed and I saw Janine's eyes widen when she got her first look at my prick.

Then she sat me down on the bed, stroking my juddering length. She took little licks at it, darting her tongue in and out of her mouth, which was enough to get the pre-cum oozing out of it. Then she lapped it all over my bell-end, which felt every bit as horny as she'd described.

But I wanted more and she soon put me out of my misery, sucking it properly this time. She managed to get both hands on my shaft, fist over fist, squeezing and massaging as she licked my

SPUNK MATE!

helmet like an ice cream, then closed her lips around it. Suddenly she released her grip and let it slip all the way down her throat.

Now she was sucking away, tongue rippling against my cock, cupping my balls, and rolling and pressing them against her chin. I felt myself start to strain as I tried to hold back, which just made her suck me all the harder.

That was it – my helmet throbbed against the roof of her mouth and jet after jet shot out. I thought she'd swallowed it straight – instead she'd let it pool. She opened her mouth wide, stirring a finger in it and pulling out a sticky string. Then she threw her head back so it could run

slowly down her throat.

We spent a bit of time lying on the bed, me rubbing her to orgasm, then I asked what Glen was into. "Just shagging me, really," she said. He didn't seem to have

much imagination, this bloke! Janine did, though, when I let her have her wicked way. She laid me back on the bed then climbed on top, trapping my cock in between her crotch and my own belly, wriggling into position so it was rest-

ing along her silt. I could feel the juices streaming out of her hole, and then she slipped her fingers under my helmet and started rubbing it against her clit.

I think she brought herself to another little orgasm – she was so wet and wriggly anyway it was hard to tell! Then she guided it inside herself. When it was halfway in she suddenly took this sharp breath. The movement seemed to go through her entire body, pulling her pussy muscles in and up, so it felt like she was

Jeremy and I have been married for ten years now. He works away from home a fair bit, so reunion screws spice things up a bit, but I always slip a pair

He called me on my mobile – asked why I hadn't answered the phone at home. I told him I was out. I'd had enough of staying home alone, talking about sex with him when I knew for sure I could get some real cock tonight. He went all quiet and said we'd better talk when he

of my worn panties in his suitcase, or maybe a picture of myself stark naked and spreading my cheeks, or with a toy shoved up my cunt or arsehole.

He can wank over those sexy images, but usually we have phone sex when he's away. I totally outdid myself the other week though.

got home.

Five minutes later, he was calling me a sneaky bitch – to my face. I knew where he was staying, about three hours' drive from where we lived, and so I turned up unannounced at his hotel! When he'd called my mobile, I'd been sitting in reception!

Jake was hard, despite me

putting the shits up him, and one hand inside my knickers showed him how desperate for his dick I was.

We were in no rush, though, so we took our time over a bit of necking and foreplay. I was sucking on his tongue, with his shaft in one hand and his nut sack cupped in the other.

He was giving me three fingers, only stopping when I asked could I get out of my clothes. I'd felt his cock throbbing in my hand, and knew how much he'd want my cunt now.

He lifted me up, sliding me down on to his length.

CONTACT
ME

Then he carried me across the room and lowered me on to the bed, still inside me, so he could give it to me hard.

Hard didn't mean fast and quick though! We like to take ages and change positions a few times during a shag. After he'd ploughed me missionary style for a bit, I rolled over and stuck my peachy little arse in the air.

I'm such a horny little thing – the wetness was dripping off my slit, so he just plunged in deep, and thrust in and out. I knew he'd been tempted by my arsehole, but it takes a while to warm me up for a bum-fuck, and he knew my pussy was tight enough to satisfy.

But I fancied a bit of anal fun so I reached back to sink a couple of fingers in my arsehole. He scooped up some juices, rubbing them on so I could frig my bum really hard.

That got me so hot – I told him to shag my cunt as hard

as he could and so he gritted his teeth and let go.

One thing I love is how he gets so caught up in my pleasure – he reckons it distracts him from what he's feeling himself so he can last longer. He reached under me to play with my clit, bringing me off once and then to another peak of pleasure. Then I popped my fingers out of my arsehole, and reached back under myself to give his balls a tickle.

They were soaked in my sticky wetness, really sensitive, and that – combined with the sight of my cum-flushed body trembling in front of him – did the trick. He shot a couple of bolts into my cunt, then pulled out to ice my crack and slit with the rest of it.

Double down

My name's Sharon and my best mate is... Sharon. These days we're inseparable, even when it comes to fucking!

A couple of months back we went on hols and trawled the local bars and clubs for

and gave his dick a squeeze, telling him he'd get his turn soon. Not right away, though.

Back in our room, Sharon and I stripped off to French each other's cunt, and I told Grant to get wanking.

I know exactly what she likes and she's such an orgasmic little tart, I soon had her

Sharon, Birkenhead

face. She was just adding a bit of seasoning for me. I got that savoury pussy flavour, then the saltiness of cock seeping through it as I sucked him clean.

I love the feeling of having my mouth stuffed full, and his tongue lapping at her slit was so horny to watch. My clit was throbbing and my pussy kept twingeing, and I kept thinking how Sharon'd looked riding his pole. I straddled it myself and when she heard me fuck him, Sharon turned round to sit on his face reverse-style, allowing her another good suck on my tits.

Grant was losing it a bit, bucking up into my tensing cunt as he tongue-fucked my mate.

Sharon grabbed my boobs, pulling hard on the nipples till I started cumming, which tipped Grant over, too. As soon as I felt him cumming I got off, so Sharon could lean forward, cram his pulsing helmet in her mouth and swallow the rest of his wad. Then she licked my juices off him, before sucking the spunk out of my hole.

We double-teamed him again next morning!

action. We often dress alike just to get attention – plus it helps a bloke understand that we come as a pair a whole lot quicker!

We can be quite picky, knowing we'll keep each other happy if the men don't measure up! But we struck lucky on the third night, with a lad called Grant. We said he was coming back to our hotel, though we didn't let him near us in the cab. Instead, we just gave him a show, snogging with Sharon popping my tit out for a suck.

I was sat in the middle, between him and Sharon,

lying in a puddle of her own fuck juices. Time for cock...

I gave him a snog, like it was the polite thing to do. But I knew he'd taste Sharon's snatch off my tongue and lips. And it was guaranteed to make him want to sample it direct for himself!

She likes being sucked but I was being a bit devious, too. While he ate her, I'd be free to enjoy the cream of his cock!

I felt a bit cheated when he lay back – and she immediately hopped on his dick. But after a few bounces, she got off, slid up his body leaving a sticky mess and settled on his

Thank You

Dear Escort,

Thankyou for printing my sexy photo's, It was a real thrill seeing them in my favourite mag. I've been very busy reading and replying to all my fan mail. Several horny contacts have been to my house for a photo session. The only trouble is, I get so turned on lying there with my legs spread wide open for the camera, That I always end up fucking the photographer (NAUGHTY ME) It's a good job that my fiancée is so understanding. Here are some of the pics we took. I'm sure you'll agree that they are getting better.

Love To

You All

REAL WIFE SEX

Janine's story continued from page 19

shaft, but pulling out then thrusting back in again let me enjoy the deep-plunging sensation over and over.

I told her how I reckoned she liked

**Watch us make
each other cum**

being the office slut, how she shouldn't worry about getting sacked over a poxy email – instead she should just let me fuck her in my office on my last day, everyone crowded around us watching

sucking my cock up inside her. I let her fuck me for a few strokes then I started fucking her back, thrusting up as she played with her own tits.

"I'll have a bit of that," I thought, and grabbed them myself, cupping the globes while she pulled really hard on her nipples. Whatever that did for her it was good for me – her pussy was clenching around my shaft again. She was slim and really supple, her body moving like a whip over mine, leaning forward then suddenly she'd sit upright, pussy directly over my stiff, hot shaft.

"Spread your legs," I groaned and soon she was virtually doing the splits over my cock. It only took a little tickle on her clit to get her cumming hard –

this little trick I'd learned. She looked at me like she couldn't quite believe what was happening to her. When her orgasm died away she flopped forward, squirming as I took an oversensitive tit in my

**Her cunt clenched
my shaft**

mouth. Then I rolled her on her back, without pulling my cock out of her cunt.

Eventually we managed to find the perfect deep-penetration position, Janine's cunt stretched tight around the entire length of my prick.

I could have stayed inside her like that, just let her pussy do the work around my

and wanking as we made each other cum. Something worth getting sacked over! She was seeing this in her mind, nails digging into my shoulders as she hung on.

This tight pussy deserved a drenching. I thrust in deep and started spunking, then pulled out slowly so I could dribble the last few gobs of jizz onto that ravenous cunt opening.

I've got more work at Janine's company, so we've been enjoying a lot more risky business. She's dumped Glen, letting him find out why for himself when he saw her draped over me down the pub. But we text rather than email, just to be safe! ☺

KIRSTEN

Tell us a secret, Kirsten. "I was happy when I found out my boyfriend cheated on me – it meant I could do just the same to him. I seduced his best mate who I'd always fancied and made sure my boyfriend was due to come home as I was getting pronged by him on the sofa. Now I'm trying it on with his sister, taking her out, getting her drunk and persuading her to lick my pussy out, same sofa, same time!"

started to bang a bit hard I let him slip out, wanking his shaft while I sucked on his nuts. He moaned but kept on stroking my hair, pulling gently, trying to coax me to go back to sucking his cock.

I did, fingers curled around it to control the depth, lips forming a seal with my hand so the suction stretched further. Even when I was just sucking his head it felt like I was doing him all the way down to the hilt.

He lasted ages, tensing up

if someone walked by. We were in the shadows but if they'd managed to glance in the right direction, they'd have been in no doubt that I was down on my knees, knockers out and gobbling some bloke's prick.

At last, though, I felt the twitching against my tongue that told me he was about to cum. I let his cock slip out and pressed my tits around it, draining his balls all over them.

Candice, Newark.

CONTACT ME

wanted to fuck me and she was OK with it I'd let him have a go.

Now I was asking Emma was he worth shagging – her answer was to pull my pussy open and, next thing I knew, his dick was slamming up me.

Fucking hell, yes, he was

worth it. He did me deep, his finger rubbing against his dick through the divide between my cunt and arse-hole.

Meanwhile Emma sucked on my clit like some sex-mad vampire. Between them, they got me cumming right from the off,

and I came a few times more before Mark spooed up my snatch, then pulled out for Emma to suck it out of me. At least I got to lap it up off his dick when he was getting hard again.

Our session hasn't really been mentioned since then, but it doesn't seem to have caused any awkwardness either. All I can think about is that the three of us are going on holiday as part of a gang this summer. It's going to be an orgy!

Joanne, Lincolnshire.

The other night, my mate Kevin and I were having a quick pint down our local when this woman turned up.

While I was buying the next round she caught my eye, so I offered her a drink. Her name was Cheryl and she said yes to a beer and came over to drink it with us, saying she'd obviously been stood up.

A couple more drinks and Kevin asked was she coming home with him. "Only if he's coming too," she said, pointing to me.

Back at Kevin's she started feeling me up through my jeans. Kev settled for a slow, chilled wank while she unbuttoned and unzipped me.

She sucked me off while Kevin got in behind her and fingered her wetness. All I could hear were muffled groans.

He asked her did she want his cock up her and she

could fondle them while she was sucking me, and now Kevin bent forward, covering her, and grabbed one in each hand, pulling her upward still impaled on his cock.

"Brace her shoulders," he told me, and I did, tasting my own spunk as I snogged her, and then I just held her as he slammed in and out, squeez-

She groaned as he probed her pussy

moaned again, releasing me for just long enough to gasp a yeah. Then she sucked me even harder as he buried himself in her snatch.

He just ground in at first, so she could carry on sucking me, probably knowing he wouldn't have to wait long.

Sure enough, I was blowing my load within a couple of minutes and he told her to swallow it down, which she did instantly.

I'd got her tits out so I

ing her boobs as he pumped her pussy full of spunk.

The three of us spent a long and dirty night in Kevin's king-sized bed, and when Cheryl woke me early the next morning, her hand stroking lightly over my cock, she said was glad she'd been blown out by her date – she was just playing the field, and couldn't have hoped for better sex!

I still don't understand how he could have been so dumb!

Mike, Manchester.
